## 2023 Chardonnay Peters Vineyard, Russian River Valley

Varietal:	100% Chardonnay
Appellation:	Russian River Valley
Harvest:	September 2023
Alcohol:	13.9%
Fermentation:	11 months in concrete & French Oak, 30% New

### Vineyard Description:

Planted in West Sebastopol, this is a premier location for Chardonnay. The vineyard is next to Luther Burbank's Farm and the soil composition is rich Goldridge Sandy Loam. With the consistent coastal fog extending hang time well into October, this fruit is fully developed and loaded with complexity. The Chardonnay is comprised of Clones 4 and 76 and the vines are over 40 years old.

### Winemaker Notes:

Thrilled with the results in 2022, we continued the use of concrete fermentation and aging for this wine. The concrete introduces an minerality and acidity. Stirring the lees (Sur Lie) was performed once per week through malolactic fermentation. Our goal with Chardonnay is to consistently achieve restrained complexity and above all else, balance. This Chardonnay is elegant and food friendly but can be easily enjoyed on its own.
